INVERNESS 5K TEAM ATTACK

It's back, but this time with a difference!

www.invernesshalfmarathon.co.uk

The popular **Global Energy 5K Team Attack** is open for entries once again but this year ANYONE can take part. Regardless of running ability, if you have a competitive spirit and fancy a team challenge, this fun event is for you.

Simply enter a team of four with the fastest cumulative 5K time as your target. You could win one of the fantastic prizes but wherever you're placed, we guarantee you'll feel fit and healthy, bonded and smiling as you cross the finish line!

So... grab your colleagues, club members, group of pals, family members, fellow students, folk you see at the gym – and enter a team now.

And why not use this challenge as an opportunity to raise money for official event charity The ARCHIE Foundation?

Part of the Global Energy Inverness ½ Marathon & 5K Fun Run.
